Being part of a cooperative means being part of something special. NWEC is celebrating National Cooperative Month in October, along with 40,000 other cooperative businesses serving more than 120 million people nationwide.

“Cooperatives Build” is the theme of this year’s National Cooperative Month. This year’s theme is excellent, because there are so many ways that cooperatives help to build a stronger rural America.

Cooperatives Build Trust

Most co-ops strive to adhere to seven key cooperative principles, which combine to help build trust between the co-op, its members and the community. For example, the first principle is Voluntary and Open Membership, which means that we are a voluntary organization open to all people to use our services and willing to accept the responsibility of membership. The second principle, Democratic Member Control, gives members a voice in the cooperative’s policies and decisions. Our members have equal voting rights—one member, one vote.

Cooperatives Build Community

The seventh cooperative principle is Concern for Community. Cooperatives work for the sustainable development of their communities through employee involvement in local organizations, through charitable contributions to community efforts and through support for schools.

Cooperatives Build Jobs

Cooperatives generate jobs in their communities, keep profits local and pay local taxes to help support community services. Cooperatives often take part in community improvement programs, ensuring that everyone has an opportunity to benefit from the cooperative experience.

Cooperatives Build Brighter Futures

In the 1930s, rural America needed electricity just as much as anyone. It was a major challenge that big utilities weren’t interested in tackling. So the men and women of rural America banded together and made it happen. Friends and neighbors worked together to improve their lives by forming the electric cooperatives.

NWEC continues to find ways to improve our members lives by utilizing advanced technologies. We’re in the process of installing smart meters to keep reliable power flowing to your home and the smart grid running efficiently.

NWEC is also partnering with Western Farmers Electric Cooperative to offer a renewable energy option. Construction is currently in progress on a solar community farm located at our Woodward facility. Watch for more details in future issues of Northwestern Electric News.

As we celebrate National Co-op Month, we want to thank our members. Without you, we wouldn’t exist.
Northwestern Electric held a ribbon-cutting ceremony on Thursday, Sept. 1, to celebrate the completion of the new Buffalo office. Officials from NWEC, Buffalo Chamber and the surrounding community gathered in front of the new building to commemorate the opening of the facility. (999938001)

CEO Tyson Littau welcomed attendees to the event and gave a brief history of NWEC’s presence in the community. He then thanked the Buffalo members for their support. Larry Stebens, area supervisor for NWEC, also thanked everyone for their support and concluded the event with the ceremonial cutting of the ribbon.

Following the ceremony, NWEC employees treated those in attendance to cookies and punch and a tour of the new facility.

Hidden account number contest

Congratulations to Lowell Fields and Virgie Morris for recognizing their account numbers last month. The third number belonged to Alvin Barber.

We have hidden two account numbers somewhere in the articles in this newsletter. The numbers will always be enclosed in parentheses and will look similar to this example (XXXXXX).

If you recognize your account number, all you have to do is give us a call on or before the 8th of the current month and we’ll give you a credit on your bill for the amount stated.

This month’s numbers are worth $25 each. Happy hunting!

Pumpkin Spice Latte

1 cup milk
2 tablespoons pumpkin puree
1 tablespoon sugar
1/4 teaspoon pumpkin pie spice
1/4 teaspoon pure vanilla extract
1/4 cup hot espresso or strong brewed coffee
Sweetened whipped cream, for serving

Combine the milk, pumpkin puree, sugar, pumpkin pie spice and vanilla in a medium microwave safe bowl, cover the bowl with plastic wrap and vent with a small hole. Microwave until the milk is hot, 1 to 2 minutes. Whisk vigorously until the milk mixture is foamy, about 30 seconds.

Pour the espresso or coffee into a large mug and add the foamed milk. Top with whipped cream and a sprinkle of pumpkin pie spice.
A member-owned business, Northwestern Electric is committed to serving you better by providing services and programs that will improve your quality of life and enhance our local communities. Please take a moment to read over some of the different services we offer.

### Payment Options

- **Automatic Bank or Credit Card Draft**: Sign up for NWEC’s automatic draft program and your electric bill is paid from your bank account or credit card by the 10th of every month.
- **Pay By Phone**: Pay your bill by phone anytime day or night with a debit or credit card by calling 580.377.1414. The automated system speaks both English and Spanish and there are no additional fees.
- **Prepaid metering**: Our prepaid program allows you to pay-as-you-go with no deposit, no late fees and no disconnect fees EVER! Prepaid metering puts you in control of your electric account balance and energy use. (5879002)
- **Online Bill Payments**: Pay your bill online at www.nwecok.coop. For questions about online bill pay, call 800.375.7423 or 256.7425.
- **Mobile App**: Pay your bill using our mobile app. To locate the app, type “NWEC” in the search bar.
- **Average Monthly Payment Plan**: NWEC’s levelized payment plan evens out bills by averaging your use over the past 12 months. This can be especially helpful during cold winters and hot summers when your electric use spikes.
- **PaySite Kiosk**: NWEC has a PaySite kiosk at our offices in Woodward and Buffalo. The kiosk is accessible 24 hours a day, seven days a week, and accepts cash, check payments and credit or debit cards. There are no additional fees. Instructions and receipts are available in both English and Spanish.

### Value Added Services

- **Member Portal**: Use our member portal to help manage your energy use. Simply log on to your account and click the “My Usage” tab.
- **Mobile App**: Pay your bill using our mobile app. To locate the app, type “NWEC” in the search bar.
- **Outage Texting**: You can report an outage by using our outage texting service. Signing up is easy! Go to our website at www.nwecok.coop, click on the outage texting icon and provide your account information.
- **Co-op Connections**: NWEC’s Co-op Connections savings card will earn you discounts and savings at participating local, state and national businesses. The card will also save you from 10 to 50 percent on prescription medicines.
- **ERC Loans**: Talk to NWEC about financing your next air source or ground source heat pump and energy efficiency home improvements such as new windows, insulation, etc.
- **Rebates**: NWEC offers rebates for installing high efficiency air source heat pumps, ground source heat pumps, and water heaters.
- **Energy Audits**: NWEC offers free home energy audits for members. Energy specialists carefully inspect your home, point out areas of energy loss, and work with you to find affordable solutions.
- **Youth Programs**: NWEC believes in supporting our local youth. NWEC offers programs such as the Rural Electric Youth Tour for high school juniors, YouthPower Energy Camp for eighth graders, Watts Up Kids Camp for 1st-3rd grade students, and the Fanning-Fussell Scholarship.
