

## **YOUTH TOUR CONTEST**

### **RULES - INFORMATION - DATES**

All high school juniors in the area served by Northwestern Electric, regardless of whether their families are Cooperative members or not, are eligible to enter the contest.

Northwestern Electric selects the winners of the contest from contestants who take a written exam over materials furnished by the Cooperative.

From the test scores, the top four students are selected for a final judging and they compete in an interview process on Wednesday, March 29, 2017, at Northwestern Electric's Woodward office. At that time, the students are asked a series of questions and judged on subject knowledge, originality and personality. The top two winners have the choice of an all expense paid trip to Washington, D.C., or a \$500 scholarship and the opportunity to attend the Touchstone Energy Leadership Summit. The next two winners receive the remaining prizes. The trip to Washington, D.C. is June 9-15, 2017.

The test is given at Northwestern Electric's Woodward office located at 2925 Williams Avenue on Tuesday, Wednesday and Thursday, March 7-8, 2017, between 8 a.m. and 4:30 p.m. The test may be offered at your school. Please check with your counselor.

If you are unable to take the test on either of the above dates, or at your school, contact Jonna Hensley at 256-7425 and arrangements will be made for you to take the test at another date.

## **GOOD LUCK!**
