Northwestern Electric Cooperative (NVEC) is always looking out for our members. In accordance with the Red Flags Rule enforced by the Federal Trade Commission (FTC), NVEC will identify, detect, prevent, mitigate and update Red Flags that signal the possibility of identity theft in connection with the opening of a covered account or any existing covered account.

Effective June 1, 2011 **only authorized account holders** can make inquiry or changes to any NVEC account. The authorized account holders must contact NVEC in order to disconnect or reconnect an account. If the authorized account holder is handling this business over the phone, they must provide the NVEC representative with the last four digits of the caller's social security number or tax identification number.

Add authorized account holders to the form below with a current address, phone numbers, social security numbers or tax identification number. List **all** electric account numbers that require additional authorization. Please return this form in the enclosed envelope or fax to 580-254-2858 by July 10, 2011.
